

Nursery News

We need your helpful donations to develop our **garden centre role-play:-**

gardening gloves; plastic spades, artificial plants and flowers, plant pots, old seed packets; plant cuttings.

Also please donate seedlings and cuttings, compost for our 'real' garden. We also need a hose to water them if any one has a spare! Thank you

SNACK SURPRISE

Please bring in some extra fruit to share so we can offer more variety in our snack.

Pasta, rice, buttons, corks, cotton reels, bangles, ribbons needed for sensory and loose part heuristic play.

'Let's Grow'

SUN SAFETY

On sunny days please remember to apply sun cream **before** your child comes to nursery and to send in a named hat.

If your child is staying all day please supply named sun cream and sign a consent for staff to re-apply.

NURSERY PLACES

Please let us know your requirements for Sept once you know them. We will also have vacancies next term when our older children leave for 'big school'.

Tell your friends and add a review on Yellow Pages so we can begin to promote our nursery places again. More children affords us more opportunities for all of the children.

This half term we will be **'Down on the farm'** learning about farm animals and their young and **'In the garden'** learning about plants growth.

In our role play baby clinic we will be finding out what babies need and how they grow.

We will also be learning about letter sounds and rhyme with Little Wandle Nursery rhymes and rhyming books.

In our maths meetings we will be looking at ways to make 5 and beginning to add and take away numbers within sets of 10, as well as exploring shapes .

Please send us a photo of your child as a baby for our display and 'growing project' and talk to them about how they have changed and how much they have learned.
