

PSHE & RSE Overview 2026-27 (using Kapow curriculum Years 1 - 6)

	Autumn		Spring		Summer	
EYFS	PSED from the Early Years Curriculum <i>‘Children’s personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.’ - Department for Education</i> Staff will plan to the needs of the cohort throughout the year and teach through daily interactions. These will include: • Rules and routines, including boundaries and personal space • Self-regulation, including identifying emotions and feelings • Conflict resolution and problem solving • Growth mindset and resilience • Developing independence and confidence, including personal hygiene, well-being, exercise and looking after yourself (e.g. tooth brushing, hand washing, healthy eating)
