Click 'start worksheet'

You can the edit on the sheet by clicking on the pencils at the side. You can click the 'ABC' to type. When you are finished click done.

The homework will save as a draft until you submit it. It does not have to all be completed in one go.

Finally, click the blue arrow to submit the homework.

Alternatively, you can complete the work on a separate piece of paper and upload a photo, video or voice note. Do this by clicking **create new** next to 'my portfolio'.
